

# Cedine MINISTRIES

March 2012

Dear Leader-In-Training,

First of all, we want to thank you for your service at Cedine. All the long hours of lifeguarding at the lake, in the kitchen, at the horse barn and other activities were well worth the friendships gained, personal growth developed, and the children reached for the sake of the Gospel. Please know that the sacrificial giving of your time, energy, and talents, help to shape the summer here at Cedine Bible Camp.

In preparation for the upcoming camp season, the Camp Council has made a few changes to the participation requirements in the LIT program that you need to know. With much prayer and discussion, the following revisions have been made in efforts to strengthen the program and honor the Lord through the work He has given us to do.

- As has been expressed in the past, it is our desire to have LIT's serve for the whole duration of the summer. Since this is not always possible, the **new** minimum requirement for weeks to work includes: **staff training and three additional weeks during the summer.**
- LITs who are not serving all summer, will only be able to serve during one teen camp.
- With the new MAN camp beginning this year, only those LITs who serve the whole summer will be allowed to serve the weeks of Family Relations (July 2-7) and MAN Camp (July 9-14).

We realize these changes may interfere with plans that are in the making for your summer, but we hope you will diligently pray and consider your part at Cedine this year. Please feel free to call with any questions you have regarding the above changes. We do look forward to serving with you again. You can download an application on Cedine's website, email us or call and ask for an application to be sent to you via regular mail.

Thanks again for all you do. We appreciate you so much.

In His hands,

Brother Phil & Mrs. Julie

# *Leader In Training Covenant*

*(Parent and child need to read and sign together)*

I am glad that you have decided to participate in our leadership-training program. Our world is in great need of Godly leaders. However leadership doesn't come without self-discipline and some hardship. Jesus himself learned submission and trust through hardship. (Hebrews 5:8)

Often more is required of Leaders than others and rightly so, as we are setting the standard for others to follow. This is true with our training program as well.

The LIT will be expected to ...

Have Respect and Comply with those in Authority.

Dress and carry ones self in a modest/ Godly Fashion. Cedine's dress code will be enforced. A copy is enclosed, so familiarize yourself with it.

(This especially applies to revealing clothes and baggy pants)

(Earrings or other body piercing on boys, and body piercing other than earrings on girls will not be permitted)

(No tattoos or foul language)

Have a good attitude and a willing heart to serve.

(Excessive complaining and disrespectful attitudes will not be tolerated)

I know that this may sound a little rigid but having 5 teenagers of my own I understand young people, and their need to understand the expectations up front. We will have a great time together of fun and learning and I'm sure we will grow together as we work serving the Lord.

If you have any further questions please don't hesitate to give us a call. If you agree with the above expectations, please sign below. Thank you for your cooperation in this.
